

United States Mint Releases 20th Coin in America the Beautiful Quarters® Program November 4

October 28, 2013

New quarter recognizes Mount Rushmore National Memorial in South Dakota

WASHINGTON — Beginning November 4 at noon Eastern Time (ET), the United States Mint will accept orders for product options containing quarters honoring Mount Rushmore National Memorial in South Dakota. The new quarter is the 20th coin released in the America the Beautiful Quarters Program, the multi-year initiative to honor our national sites. Product options and pricing are as follows:

PRODUCT CODE	PRODUCT OPTION	MINT MARK	PRICE
WG4	Two-Roll Set (40 coins per roll)	“P” and “D”	\$32.95
WG1, WG2, WG3	100-Coin Bag	“P,” “D.” or “S”	\$34.95
WG5	Single Roll (40 coins)	“S”	\$18.95
TC6	Three-Roll Set	“P,” “D.” and “S”	\$46.95

The coins in the rolls and bags are circulating quality struck on the main production floors of the United States Mint’s facilities at Denver, Philadelphia, and San Francisco. Unlike the “P” and “D” mint mark quarters, coins with the “S” mint mark will not be released into circulation.

The special numismatic wrapping for the coin rolls displays the name “Mount Rushmore National Memorial”; the abbreviation “S.” for South Dakota; “\$10” (the face value of its contents); and “P,” “D.” or “S” for the mint of origin. The canvas bags have a tag with “Mount Rushmore National Memorial”; “S.”; and “P,” “D.” or “S.”

The United States Mint accepts orders at its online catalog, <http://www.usmint.gov/catalog>, and at 1-800-USA-MINT (872-6468). Hearing- and speech-impaired customers with TTY equipment may order at 1-888-321 MINT (6468). Customers should add \$4.95 to all domestic orders for shipping and handling.

Collectors may also purchase rolls and bags of America the Beautiful Quarters through the bureau’s Online Subscription Program. For more information about this convenient ordering method, please visit <http://www.usmint.gov/catalog>.

The United States Mint was created by Congress in 1792 and became part of the Department of the Treasury in 1873. It is the Nation’s sole manufacturer of legal tender coinage and is responsible for producing circulating coinage for the Nation to conduct its trade and commerce. The United States Mint also produces numismatic products, including proof, uncirculated, and commemorative coins; Congressional Gold Medals; and silver and gold bullion coins. The United States Mint’s numismatic programs are self-sustaining and operate at no cost to the taxpayer.

Note: To ensure that all members of the public have fair and equal access to United States Mint products, orders placed prior to the official on-sale date and time of November 4, 2013, noon ET shall not be deemed accepted by the United States Mint and will not be honored. For more information, please review the United States Mint’s Frequently Asked Questions, Answer ID #175.
